ISPS-US 2021 Virtual Conference
*Moving Toward Shared Understandings in Psychosis and Extreme States:
Professional, Individual, and Family Perspectives*
November 5-7, 2021

ACCESSIBILITY / SPECIAL NEEDS ACCOMMODATIONS

ISPS-US is committed to providing access and support to everyone who wishes to participate in the programs we sponsor. Please list any needed accommodations on your registration form or email Karen Stern at contact@isps-us.org.

Presentations, discussions and meetings will be via Zoom, as webinars or meetings. They must be accessed from your Eventbrite registration confirmation email (see below).

Zoom accessibility: <https://zoom.us/accessibility>

Eventbrite accessibility: <https://www.eventbrite.com/l/accessibility/>

TECHNICAL REQUIREMENTS

- A desktop computer, laptop, tablet, or smartphone that has access to the internet
- An Internet connection
- A web browser, such as Safari, Google Chrome or Firefox
- The Zoom application, or you can access events through your browser: zoom.us
- More specific instructions will be emailed to registrants.

HOW TO ACCESS PRESENTATIONS AND OTHER EVENTS

- Reminder emails will be sent to registered participants close to the start of the conference. Please check the same email address that you registered under.
- Follow this link to the Online Event Page: <https://www.eventbrite.com/x/151706687787/>
- Zoom links will be posted for each presentation, discussion or event. Click on each link to attend that session. Breakout sessions occur simultaneously, so choose one of the 3 to attend.
- You can only attend one Zoom at a time, so be sure to leave each webinar or meeting before attending another one.
- ePosters may be viewed and commented on here: <https://my.ltb.io/#/showcase/isps-us-annual-meeting>
No registration is required.
